

HOW TO COPY A RATE MAINTENANCE TABLE:

The Following procedure is how you could copy a rate maintenance table from 1 pub and zone to another pub and zone.

In the following screenshot example for rate code AGNSK you see a pub and zone of IMIN DOT with all of the rate table maintenance:

The screenshot displays the 'Rate Maintenance' application window. The top section shows the 'Rate Code' as 'AGNSK' and the 'Rate Pub/Zone Table' for 'IMIN DOT'. Below this, a detailed view of the 'RATE TABLE MAINTENANCE' is shown, including columns for Contract Inserts, Ad Inserts, Preprint/Impression, PickUp Qualifier, Rate Amount, Prompt Pay, Actual Disc, Contr Disc, and Days of Week. The table lists several rows of contract data with their respective rates and discounts.
